### Anti-Fatigue Mat

Used at workstations where people stand for long periods of time. The raised, bubble-like rubber mat reduces the fatigue associated with standing.

### Flo-Thru Mat

Used in any situation where spills are common, the flo-thru mat drains liquids away quickly. This mat is also grease-resistant, perfect for foodservice or break room applications.

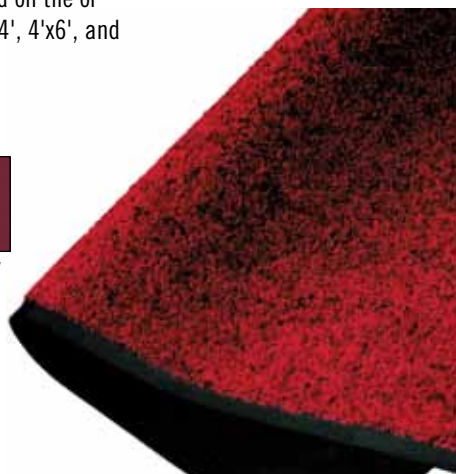

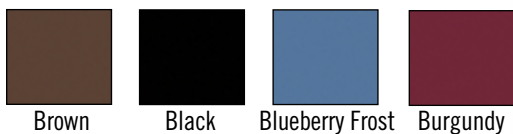

### Scraper Mats

Used at entry points outside a building, scraper mats should remove 40 to 50% of dirt off shoes. Standard Size: 2'x3'

### Standard Floor Mat

Used for everyday situations to remove dirt and debris from shoes, protect the floor surface below the mat, and protect entry and hallways from moisture. These mats can be used on tile or carpeted floors. Available in 7 standard colors in 3'x4', 4'x6', and 3'x10' sizes.

## Logo Mats

Promote your business with custom logo mats from Admiral. Logo mats are created using MasterWeave™, an exclusive computerized process. Create your own custom design with up to six colors from a palette of brilliant shades. MasterWeave designs are sewn directly into the carpet, insuring quality and durability. Because all logo mats are made of static dissipative nylon yarn and dyed using Perma-Dye and StainStopper™ dyeing technology, you are assured of years of trouble-free performance. All logo mats are backed with Nitrile rubber backing for non-skid stability. Provide your logo and we'll reproduce it on a high-quality mat. If you don't have a logo, we'll design one for you.

## Dust Mops

Admiral's dust mops are the best-made commercial mop available. These dust mops feature top-grade cotton yarn with rugged nylon backing. The anti-fray yarn won't tangle and combined with a tufted body, you get superior floor coverage and dust-holding capacity.

Our standard dust mop comes on a frame, and is treated with mop oil for better cleaning.

Standard sizes: 24", 36", 48" and 60"

## Wet Mops

Keep your facility sparkling clean by using wet mops as part of your overall facility maintenance. The medium wet mop is a 16 oz. 100% cotton mop, made for everyday jobs. Our extra large wet mop is 32 oz. and is designed for heavier cleaning jobs.

## Shop Towels

Shop towels are handy for almost any job. Admiral offers shop towels in three colors: red, orange and white, each designed for a specific application. Orange shop towels are used primarily in auto shops, car dealerships and anywhere there's a need to wipe up grease and dirt. Red shop towels are used for machine shops and jobbers. These towels may contain metal shavings. White shop towels can be used in any job where a clean, virtually lint-free towel is needed.

### **Jumbo Tissue**

- Facial-quality soft tissue is made with high quality soft fibers
- Larger tissue roll means less time spent refilling dispensers
- One case of jumbo tissue uses ¼ of the storage space compared to regular roll tissue
- Recycled material meets or exceeds EPA guidelines for minimum post-consumer waste

### **Center Pull Towels**

- Absorbs 6 times its weight in liquid
- Made with tissue-based paper which eliminates costly plumbing bills
- Recycled material meets or exceeds EPA guidelines for minimum post-consumer waste
- Center Pull towels do not leave a lint residue

### **Antibacterial Foaming Soap**

- Active ingredient PCMX
- Over 2000 pumps per cartridge
- Promotes health in the workplace

### **Center Pull Dispenser** (not shown)

- The hands-free center pull dispenser eliminates cross-contamination while dispensing one towel at a time
- Simple and easy to load with replacement rolls

### **Jumbo Dispenser** (not shown)

- Jumbo dispenser saves you time and money with less frequent replacement of product
- Dispenser can be locked to eliminate pilferage
- Made from durable impact-resistant materials with a 2-roll capacity

### **Instant Hand Sanitizer** (not shown)

- Kills 99.9% of common germs
- Waterless formula
- Alcohol free
- FDA approved

### **Hand Care Dispenser** (not shown)

- One dispenser for both foaming soap and hand sanitizer
- Industrial grade durable plastic
- Removable front cover for easy cartridge loading
