

GOWNS & CAPES

YOUR PRACTICE. YOUR BUSINESS. OUR HELP.

PATIENT SAFETY AND COMFORT

Nothing is more important than providing comfortable apparel that maintains the dignity and respect of people in your care. That is why we only purchase gowns and capes made with quality fabrics and superior weaves, and designed to preserve modesty and ensure full coverage.

Our patient gowns, exam capes and eye drapes are all created with comfort and durability in mind, and our inventory system ensures that you have enough items on hand to never run short.

Adult Gowns

Patient gowns are available in large & extra large sizes. The large gown (snowflake pattern) has a 60" sweep. The extra large gown (diamond pattern) has a 64" sweep. We also offer a "Maxi" gown that fits patients up to size 8X.

Pedi Gowns

Pedi gowns are available in Small, Medium and Large. The sizes are designated by color: Small is yellow, Medium is blue, and Large is green. They feature an elephant or clown print.

IV/ICU Gown

Our IV/ICU gown features a telemetry pocket in front with back tie closures. The metal snaps on the sleeves allow for easy access. This gown is 44" long with a 67" sweep.

Exam (Mammo) Cape

The Mammography cape has a snap front closure for easy examinations while preserving patient modesty. The patient can be examined while maintaining shoulder and back coverage.
